**NEARBY UW-MADISON CAMPUS VISITOR PARKING (Self-Pay)**

The best chance of parking in a campus lot is to buy a parking permit in advance. See separate application from UW Transportation Services. Not all public parking can be reserved, so there may still be a limited number of spaces available on the day of the event.

Information about visitor parking on campus can be found at: transportation.wisc.edu/parking/visitor.aspx

Real time parking availability can be viewed at: transportation.wisc.edu/parking/lotinfo_occupancy.aspx
